WWSC meeting 6 Oct 2005

Present: White, Seifert, Dominic

Agenda Item

1. 4:00 Began

2. Minute discussion postponed

3. CBD reported there were no substantive suggestions. By memo, Gail had pointed out what she thought were grammatical points and mentioned a suggestion from the Health Dept which the subc. decided to discuss when Gail was present. There was general agreement that input was needed from the Commissioners on density assumptions and whether to have the engineers consider service by the county on areas now included in existing utilities' planning areas. Kerry was requested to begin discussion with the Commrs. on the subcommittee's behalf.

5 CBD reported on the FLWQD study

4 There was a discussion of the Great West Study

6 10 Nov. Topic - the RFP. Kerry will try to have a draft for review based on the subc's memo.
